

TESTING PORTUGAL

27 OCTOBER 2026

CALL FOR SPEAKERS

[RULES](#) | [PROCESS](#) | [APPLICATION](#)

1. CONDITIONS

As in previous editions of the **Testing Portugal Conference**, the **PSTQB** has decided to reinforce its commitment to developing the Portuguese Testing Community and to supporting its growth, extending it to professionals from countries belonging to the CPLP*. Taking this commitment into account, the **PSTQB** will open the initiative to candidates who meet at least one of the following conditions:

- Professionals from Portugal or countries belonging to the CPLP*, regardless of the country where they practice their profession;
- Foreign professionals who carry out testing activities in Portugal or in Portuguese companies, regardless of their geographical location;
- Professionals in global companies with offices in Portugal.

*Community of Portuguese Speaking Countries

2. TOPICS

We encourage the submission of articles related to topics in the field of software testing. Applications addressing the following topics will be valued:

- AI – Artificial Intelligence
- ML – Machine Learning
- IoT – Internet of Things
- SAFe – Scaled Agile Framework
- Agile Testing
- Disruptive Test Approaches
- DevOps
